

Information from Keith Parson Presentation

Contacts for Permits

Corps of Engineers

Savannah District Regulatory www.sas.usace.army.mil/regulatory/permits.html

This will put you on the permitting page. Look for Nationwide Permits.

The general phone number for the Savannah Office is: 1-800-448-2402.

For projects in the piedmont and mountains call the Morrow office at 678-422-2721 and ask for the project manager for the particular county the project would be located in.

For SW Ga. call the Albany office at 229-430-8567 (Lower Flint, Lower Chattahoochee, Suwannee, Ochlocknee river basins).

Georgia EPD

Georgia EPD Stream Buffer Variance Permits would be needed for impacts within the 25 foot protected buffer (50 feet for trout waters) of streams and rivers.

Visit http://www.georgiaepd.org/Documents/epdforms_wpb.html#erosion There will be some contact names and numbers for help.
