

2010 Grant Program Application

Please address all items below in a typewritten proposal. Please attach a copy of your strategic plan or annual plan of work. Applications must be received by our office by June 1, 2010.

Organizational Information

Name of Organization

Contact Name and Title

Address, Phone, Email, Website

Organization Mission

Organization Annual Budget

Federal Tax ID Number (if applicable)

Number of Paid Staff / Number of Board Members (attach a list of board members)

Title of Project and Requested Amount

Grant Request Summary

Explain the proposed project (No more than 100 words.)

Project Need

Describe the specific nonpoint source pollution problem or water efficiency need that your project will address. (No more than 250 words)

Project Description

Describe your project and how it will specifically address your nonpoint source pollution problem or water efficiency need, including the goals and objectives; target audience; how the project will be organized and executed. How could it be utilized by other organizations and duplicated in other watersheds? How is it creative and/or innovative? (No more than 500 words)

Outputs (may be bulleted)

Identify specific deliverables of the program (i.e. Number or workshops conducted).

Outcomes (may be bulleted)

Outline program results and describe the difference the program will make. Include how success will be defined and measured. (No more than 200 words.)

Timeline

Include a brief timeline of activities highlighting major milestones and tasks to be accomplished including expected completion dates.

Budget Request

Please attach a project budget and organizational budget for the fiscal year of implementation of this project. Please include the source and amount of any additional funding sources (received and pending) including in-kind funding. If your budget includes lobbying, please breakdown the anticipated lobbying expenses. Please note that the Georgia River Network and Turner

Foundation encourage and support advocacy as long as the organization is following the code set forth by the IRS.

Previous Grant

Applicants that have received previous funding through this program must have completed all previously funded work. If you have not completed previously funded work please provide an outline of when and how the work will be completed or explanation of why it cannot be completed.

Please direct questions to Dana Skelton at dana@garivers.org or 706-549-4508.

Please send completed application to Dana Skelton, Georgia River Network, 126 South Milledge Avenue, Suite E-3, Athens, GA 30605 or email to info@garivers.org.
