## Georgia River Network Social Media Internship *Fall 2022 and/or Spring 2023*

### **About Georgia River Network**

Founded in 1998, Georgia River Network fights to ensure a clean water legacy in Georgia by engaging and empowering individuals and groups to protect and restore our rivers from the mountains to the coast.

We inspire people to protect Georgia's rivers by first connecting them with our rivers through Georgia River Network's Paddle Georgia trips, river user guide tools and resources, water trail development program and more.

Throughout our history, we have supported the start up of new river conservation and water trail groups in Georgia and created Paddle Georgia, the nation's largest week-long canoe/kayak camping adventure that has introduced more than 5,000 people to the state's rivers and raised more than \$500,000 for river protection throughout Georgia.

GRN is based out of Athens, but staff is permanently working remotely. For more information, visit our website [www.garivers.org](http://www.garivers.org).

### **About the Communications Internship**

**Job Description:** The social media intern will work creatively with the Communications Director to develop strategic, engaging content that will be shared across multiple platforms. This work is crucial to GRN's effort to inspire, educate and mobilize Georgians in every corner of the state to experience and advocate for their waterways.

This position is remote with the opportunity to participate in 2-4 in-person events during the semester.

#### **Skills Preferred:**

- Pursuing a degree in communications, marketing, PR, journalism, English or related field preferred
- Strong written and verbal communications skills
- Experience managing a brand's social media accounts a plus
- Experience with Canva or Adobe suite a plus
- Basic understanding of conservation issues a plus
- Photography/videography skills a plus
- Canoeing/kayaking experience a bonus but not expected or required
